Subject: [EXTERNAL] Litigation involving PDL

Dear Kelly:

I am writing as a courtesy to inform you that PDL is currently in a lawsuit against Eli Lilly relating to a license agreement between PDL and Eli Lilly and the drug donanemab. The case is PDL BioPharma, Inc. v. Eli Lilly and Company, No. 1:23-cv-02289-RLY-MKK in the Southern District of Indiana. We are currently in the beginning stages of discovery. As discovery progresses, it is possible that documents in AbbVie's possession relating to the humanization work of donanemab may be sought by the parties. We will keep you informed and do our best to reduce any burden on AbbVie. Please let me know if you have any questions.

Regards,

Chris Stone
